

NASTY CRITTERS

We're looking for Nasty Critters.

All the old "end of life" handheld electronics that are hiding at home and in the office. You know you have them, holding onto them like a collectable.

- Digital Cameras
- Hand Held Games
- Pagers
- PDA's
- MP3's
- GPS Devices
- Cell Phones
- Printer Cartridges

BUT YOU CAN TURN THESE NASTY CRITTERS INTO A TRUSTY FRIEND AGAIN.

Find the Techie Waste recycle bin in your office and give them a second life, keeping them out of landfills.
